Disable Duplicate Voucher Button to Users

Introduction

This Add-On was useful for who maintained the users in Tally Prime. You should maintain the users then only this Add-on will work. With the help of this Add-On, we can disable **Duplicate Voucher** button to users. Let's see how this Add-On will Work in Tally Prime

Important Alert!

Take Back up of your company Data before activating the Add-on.

Once you try/purchase this add-on, follow this step below to configure the add-on and use it.

Activate the Add-on for Tally Prime

Go to **Gateway of Tally → F1: Help → TDL & Add-on**

Click on F4: Manage Local TDLs

Load Selected TDL files on Start Up – Yes

Selected the TDL from the list and make it yes

Click On F6: Add-on Features

Set “Yes” to the option “**Enable KGN Disable Duplicate Voucher Button to Users**”

Add-On Features

Enable KGN Disable Duplicate Voucher Button to Users	Yes
--	-----

After enabling company level option. This Add-On will start working.

Now let's see how this Add-On will Work in Tally Prime.

Gateway of Tally → Alt+K Company → Users and Passwords

When you entered into the users and passwords **List of users for company** form will open in that form you will able to see an additional feature that is **"Enable Duplicate voucher"** by default the system was set the **"NO"** for all users as show as below figure.

Note: If you want to **Enable Duplicate voucher** to any user set as **"YES"**

List of Users for Company						
Name: KGN User Controls						
User Roles	Username	Password (if any)	Allow Browser Access	Allow Remote Access	Allow Local TDL Files	Enable Duplicate Voucher
Data Entry	1	*	No	No	No	No
Authorised	2	*	No	No	No	No
Owner	3	*	No	No	No	No
Authorised	4	*	No	No	No	No

Press enter button and save the form.

After that you should change the user and login with the user login.
